

Notice of Final Determination
“Totten Inlet Intertidal Shellfish Culture”
SEPA File No. 08-122201

The Department of Natural Resources issued a Determination of Non-significance (DNS), Mitigated Determination of Non-significance (MDNS), Modified DNS/MDNS on **December 22, 2008** for this proposal under the State Environmental Policy Act (SEPA) and WAC 197-11-340(2).

This threshold determination is hereby:

Retained.

Modified. Modifications to this threshold determination include the following:

Withdrawn. This threshold determination has been withdrawn due to the following:

The Department is not proceeding with its proposal to lease approximately 21 acres of state-owned tidelands in Totten Inlet to Taylor Shellfish per the conditions of the January 12, 2009 settlement agreement between Taylor and the Department. The Department will issue a new threshold determination if it decides to lease these tidelands at some time in the future. All public comment received to date will be retained and considered by the Department.

Delayed. A final threshold determination has been delayed due to the following:
